"Can I ask you a question?"

"I'm curious—what do you  
already know about this?"

"I suppose you may already  
know about..."

"Are you needing advice, assistance,  
or just a listening ear?"

"I'm here if you need me."

CONFIDENTIAL

Thank you,  
Sam. I've  
got this.

If I have  
questions, I  
know where  
to find you.

Thank  
you—I'm  
aware.

I figured  
that out all  
on my own.

I'm  
curious...what  
made you  
think I  
wouldn't  
know that?

**NUCLEAR OPTION:**  
"Thank you, Captain Obvious."  
(Use with caution. Some assembly required.)

**INTERRUPT EARLY.**

Use their name.

Example:

“Hey Sam—thank you.  
I've got this.”

Repeat if necessary.  
Again. And again.  
And louder.
